Suicides by farmers

†2022. SHRI PRABHAT JHA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that cases of suicides by farmers in different parts of the country are increasing inspite of announcement of Rehabilitation package and waiving of loans;

(b) if so, the State-wise details with regard to cases of suicides came to the knowledge of the Government from January, 2008 to till date;

(c) the reasons therefor; and

(d) the details of steps taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) to (d) The suicides by farmers have mainly been reported from the States of Andhra Pradesh, Maharashtra, Karnataka and Kerala. Some cases of suicides by farmers were also reported from the States of Gujarat, Punjab and Tamil Nadu. A Statement indicating the number of suicides by farmers as reported by the State Governments is enclosed. As reported by the State Governments, the causes of suicide by farmers are broadly crop failure, indebtedness, drought and social and economic insecurity. To address the problem of suicide by farmers, the Government of India
